PROFESSIONAL SUMMARY

Yosi Kossowsky is a seasoned business leader and executive coach with a wealth of experience in the corporate world. With over 30 years in the industry and 15 years as an Executive Team Facilitator and Coach, Yosi brings a unique blend of practical business acumen and coaching expertise to his clients.

As a business leader, Yosi has held leadership roles in startups and Fortune 100 companies across a variety of industries including engineering, technical services, sales, HR, and operations. He uses this valuable experience and inside perspective to support individuals, leaders, teams, and organizations through change.

Yosi's approach to performance improvement coaching is holistic, backed by neuroscience, and tailored to the specific needs of each client. He has a reputation for quickly building trust, asking deeper questions that uncover underlying issues, and encouraging clients to tap into their strengths in new and effective ways.

Yosi's expertise extends beyond coaching, he has held executive roles in areas including CTO, Team and Technical Leadership, Sr Director of Talent Management, Leadership Development, Organizational Development and Effectiveness, Change Management, Workforce Planning, Operations, Quality Assurance, Leadership Transitions and HR. He has a track record of helping clients across the Fortune 500 gain new perspectives, navigate challenges, and simplify complexity.
